

*Sewer System Evaluation and Rehabilitation Program*

**Planning Task**

---

**Name** South Shore RMAP  
**Basin** South Shore  
**Council Districts** D, E

**Progress**

**Percent Complete** 0 %

**Resources**

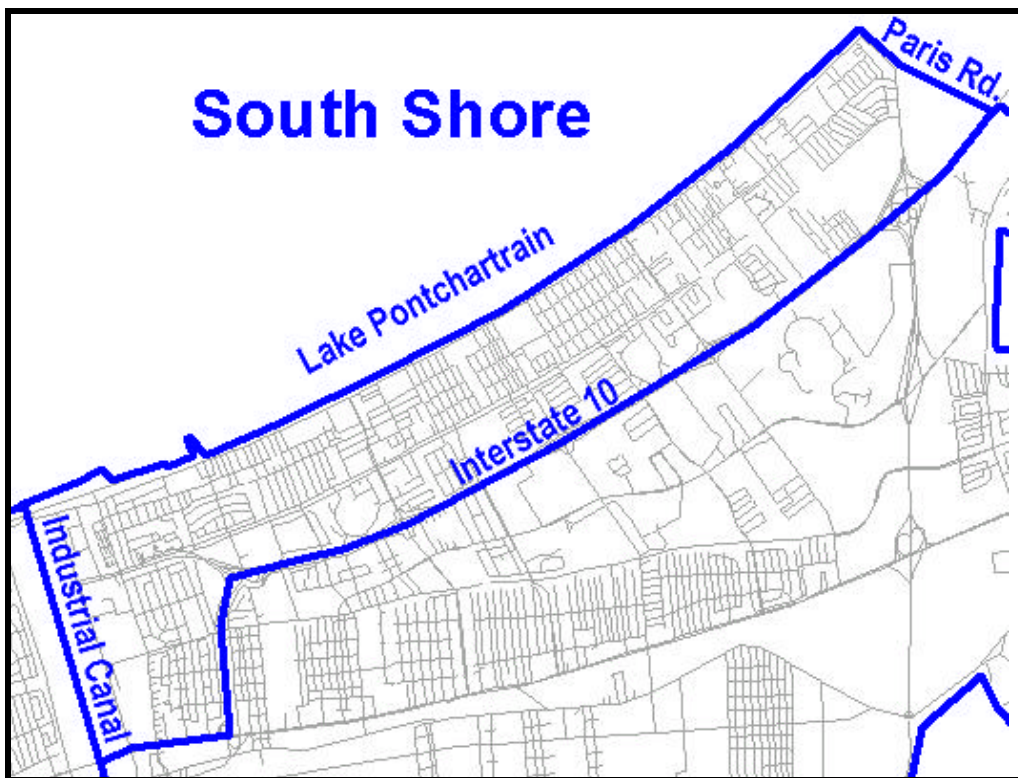

**SSERP Project Engineer** MWH  
**Consultant** MWH

**Comments**

**Description**

Description of proposed remedial measures to be implemented for the Southshore basin, which is designed to address defects identified in the Southshore CSES. The RMAP addresses and resolves issues related to pump station and force main capacity, and addresses measures intended to eliminate unauthorized discharges.

**Project**

**Current Capital Cost**                      \$0
